- January 25- January 31st: Counselors will meet with students to discuss course selections and input the requests. Juniors will also have Post-Secondary Planning sessions starting in January.
- May 2018: Course selections are mailed home. Students have until June 15, 2018 to make changes to their schedule.

Step 1: Log in to Powerschool - Student Portal (where you check your grades).

Step 2: Select Teacher Comments. This is where your teachers have made recommendations as to which courses would be most appropriate for you to choose for next year. If you disagree with your teacher's recommendation you must obtain a form when you meet with your counselor and have your parent read it and sign it. You must return the form to your counselor before your requested course is added.

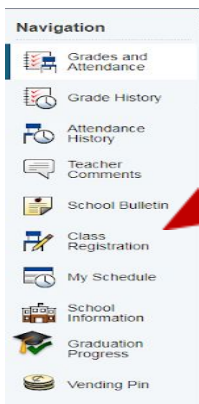

Click on "Reporting Term" and choose Q2

You MUST choose a course everywhere you see the red exclamation point.

Each course group lists the course options for you to choose from. If you have questions along the way, select the course you think is the right one and then ask your counselor about it when he or she calls you down. They can make a change with you if necessary.
